## General Counsel Legal and Compliance Academy

### About Credit Suisse

Credit Suisse is a global financial services company providing Private Banking & Wealth Management services, and Investment Banking services and expertise to companies, institutions and high-net-worth clients. We are in over 50 countries with over 46,000 employees.

We aim to build the bank of the future at Credit Suisse, servicing our clients across regions and businesses. This also means fulfilling our responsibility to help shape the global economy, and to make a difference in people's lives.

With world-class training and support, our entry-level hiring programs give you the chance to make an impact. Throughout your career with us, you will benefit from cross-business and international mobility opportunities. A career with us means that you can help shape our future.

### About General Counsel

General Counsel provides legal and compliance support to all business divisions and Shared Services functions across all regions of the bank. Our goal is to protect the reputation of Credit Suisse by ensuring that employees have the necessary tools and know-how to comply with all applicable internal policies and external rules and regulations.

We support all areas of the business, undertaking the important task of managing their legal and regulatory risks.

In addition to our advisory role, we develop and issue policies, conduct compliance training and perform monitoring and surveillance activities.

Legal and Compliance CoE Wroclaw, established in CoE Wroclaw on March 10, 2008 became General Counsel CoE Wroclaw in May 2011 and continues to have dynamic growth.

### About the Program

The General Counsel Legal and Compliance Academy is a paid, 12-month program designed to fit with your university studies.

This unique annual program that starts in August offers the following:

- Valuable work experience in the Legal and Compliance field including practical problem-solving experience
- Comprehensive training, followed by job assignments in a variety of Legal and Compliance functions

- University lectures on Legal and Compliance topics conducted by senior managers from the Credit Suisse General Counsel division
- Understanding of global financial regulations
- Experience of working for a global and multicultural organization

The program provides a significant career advantage in the Legal and Compliance profession, as the participants will develop core professional skills and industry knowledge.

## What We Look For

While our employees have a wide range of experience, interests and degrees, they share an intellectual curiosity, a desire to achieve and a pattern of excellence and achievement. Whatever your background, you will need to be:

- Highly motivated, preferably a final year university student or recent graduate from the faculties of Economics, Finance, Management or Law
- Willing to learn new functions and develop
- A collaborative team player who builds excellent relationships
- Able to work independently and under pressure
- Committed to providing excellent customer service
- Comfortable with the use of MS Office software
- Strong analytical skills

Proficiency in English is required for the role and a proficiency in another language, preferably German, French or Italian, is desirable. An interest in finance is not required, but is an asset.
