

StratLit - the cycle of seminars organized by Centre for Legal Education and Social Theory and Scientific Association of Human Rights, about legal, social and political dimensions of strategic litigation. We understand strategic litigation as taking action in the concrete case for the purpose of systemic change (f.e. change of case law, an extension of rights).

# STRAT

**15.11.2019 (FRIDAY)**

**15:00**

**2.02 D**
